The Facts

Frozen baked goods have a shelf life of two weeks. Fresh baked goods have a shelf life of 3 days in a temperature controlled environment. Once the product expires, the product should not be served or sold as a fresh product. Additional pricing available for products, private labeling, and custom products by request!

Minimum order: \$65.00 for total order. Terms: COD or credit card on file. Ordering: Online order requests need to be made by Friday for following week. Standing orders also available once account is established. Acceptance of order indicates acceptance of products. Since many of our doughs are mixed 18-24 hours in advance, cancellation must be given 48 hours or more in advance of scheduled delivery. We offer fresh products without preservatives and do not offer a buy-back program. Our products are hand shaped and therefore may have some variation in size from item to item.

Regular Delivery days available and Monday through Friday. Delivery and Handling Fees: \$4.50-\$19.50 for deliveries that do not require special retail packaging or handling, depending on distance; \$25 charge for all handling and deliveries requiring retail packaging. FedEx or USPS Shipping available at Priority and Overnight Prices + 4% fee for handling.
